The Chair, Councillor Perkin introduced the meeting which was being held to confirm the Parish Council's response to the Community Governance Review. It was agreed that questions from the public would be taken during the discussion and debate.

The Chair presented his proposal which had been previously circulated to Parish Councillors. (A copy is attached to the signed copy of the Minutes)

Cllr John Perkin set out the reason for the proposal which reflected the views of the Parish Council submitted to the earlier consultation process.

Councillor Mark Ryder proposed an alternative motion;

'Hardwicke Parish Council recognises the strong views expressed by residents in response to the autumn 2018 first round of consultation for the Local Governance Review and the recommendations outlined by Stroud District Council following the consultation. As such, the Parish Council confirms that it will support the majority opinion as expressed by parishioners in the first and second round of consultation, whatever that may be'.

The Motion was seconded by Councillor Demelza Turner -Wilkes

On being put to the vote the motion was carried unanimously.

The motion became the substantive motion and was carried unanimously

Resolved to; advise Stroud District Council that the response from Hardwicke Parish Council to the Governance Review was as set out in the agreed Motion.
